“You are Somebody”

Opening Discussion:

1. In your opinion, do you healthily manage your moments of discouragement? Why or why not?
2. Can you recall a time when you dealt with discouragement in a way that later caused regret?
3. Why do you believe the Lord allowed us to experience all the traumas and challenges associated with 2020 and 2021? How do we reconcile these years with Romans 8:37-39?

Observation of Ezekiel 37:11-14:

1. In Ezekiel 37:11-12, the Lord challenges the prophet to use prophecy to change the state. In other words, He challenged Ezekiel to use the Word for the needed transformation. So, how does this narrative serve as an aid for us today?
2. During the sermon, we noted that God took the prophet from a bad situation into an even worse one – namely from exile to the valley of dry bones. Why do you think our ability to hear God increases when things get worse for us?
3. The goal of God was for the people of God to get to know that He loved them. His revelation of this love was in their deliverance from hardship. How does this inform your experience with challenges in life?

Summary Discussion:

1. Personal Reflection: How confident are you in God's ability to deliver you from your troubles?
2. He asked, can these “dry bones live.” What are the “dry bones” in your life, and do you feel confident in God's ability to bring vitality back to you?
3. How can this group aid you to stand firm in the faith as you fight and wait on your much-needed change?
